VOLUNTEERS NEEDED! I would like to volunteer for: Registration Hospitality Greeter

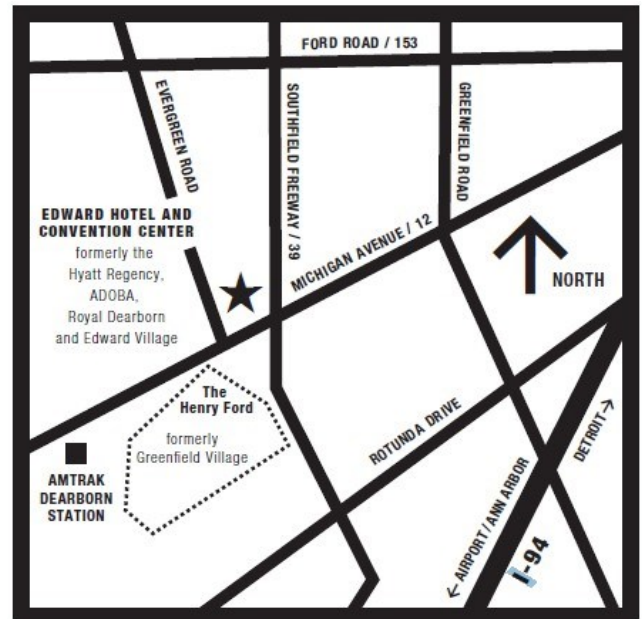

The Backstory

Most associations like to take time out now and then to observe some phase of their development. Holding a convention is a natural thing to do. In A.A., such an event is far more than a routine cause for celebration. A convention also sets up a useful opportunity to share the A.A. experience in a broader way. It's a common misconception that conventions are regular A.A. meetings. "There are no dues or fees for A.A. membership..." says our Seventh Tradition, therefore, some feel there should be no fees to attend an A.A. related convention. Conventions are special events, not regular A.A. meetings. A large convention, like March Roundup, requires a substantial amount of planning, preparation and expense.

March Roundup Conventions are held in hotels, and there is a charge for the use of their facilities. Costs include travel and lodging for speakers, coffee, printing and postage, to name a few.

March Roundup is self-supporting. Costs of the event are paid by registration fees. No baskets are passed. Cost is nominal compared to a weekend's entertainment elsewhere.

Our goal is to break even financially. Attendance is voluntary. As responsible A.A. members, we pay our own way.
